The Willowbrook Saddle Series held Dec. 3, 2017 marked the start of the 2018 IEHJA horse show calendar. Held at the Willowbrook Equestrian Center in Desert Hot Springs, this was the third of an eight-show series that takes advantage of the beautiful weather during the winter, spring and fall months. In addition to the December date, shows were held on Jan. 7, Feb. 11 and Mar. 3. Future spring dates include May 20. Fall dates are set for Sept. 30 and an October date to be determined. The Saddle series is in its 26th year and is sanctioned by IEHJA, GSDHJA, OCHSA and USHJA Outreach. Class results and division champions can be found on www.horseshowtime.com but the following is a sampling of winners from each of the shows:

Galway Downs, in Temecula, also got an early start on its County Series horse shows. The January and February dates drew competitors from across the region. The January show marked the first of the eight IEHJA sanctioned shows to be held at Galway Downs for the 2018 show calendar year. Except for July and August, Galway hosts a two-day County Series show once a month (see www.iehja.com/show dates for a complete listing of Galway and other IEHJA sanctioned shows). Unfortunately, rain canceled the March 10-11 show, but the January and February shows were highly successful. Again, the complete listing of class results and division champions can be found on www.horseshowtime.com, but the following is a partial listing of winning horses and riders:

The first of the Showcase Horse Show Series kicked off on March 18th at Showcase Training Stables in Redlands. The rain that Southern California experienced in early March did not affect the footing in the show arena nor dampen the riders' enthusiasm. The Showcase Horse Show Series consists of four dates held March 18th, May 12th (a one-time Saturday only date), July 15th and September 9th. All shows in the series are IEHJA sanctioned, USHJA affiliated, GSDHJA and TIP approved. Special events include the "Bill Strum Memorial \$300 Cross-Rail Classic" and "The Southern California Thoroughbred Rescues Hunter High Point" competition.

Show highlights are as follows:

March 18: walk-trot lead line, CH Levi Cetina riding Diane Johnston's Theopolis and RES Ava Williams on Gretchen Clark's Just Crusin; Southern California Thoroughbred Rescue Hunter Division, CH Jessica Abbott riding Blackjack N Beers, owned by Christina Brady and RES Jessica Abbott riding Anne Lorkowski's Kindred Spirit; schooling cross-rails, Kate Hallett on her own King Louie and RES Nicole Sannes on her own All That Jazz; green rider (Jr./Am) fences 2'3" CH Emma Bryson riding her own horse Chicago and RES Ashley Park on her own Like Clockwork, baby green hunter fences 2'3" CH Jen Hallett riding her own Portofino and RES Jessica Abbott on As Good As It Gets. Please view a complete list of champions and class results online at www.horseshowtime.com.
