

***Young eventer makes her mark with terrific Rolex and Rebecca Farms finishes.***

*by Mikaela Kantorowski*

Mackenna Shea is not like most 23 year olds. A normal day for Mackenna is spent at the barn riding and caring for a number of extremely talented horses under the watchful eye of Tamie Smith.

Mackenna is one of the nation's brightest young eventers with wins at the Advanced and Three Star levels, as well as a successful trip around the Rolex Kentucky Four Star course.

# September 2016 - Mackenna Shea
