

***Education, friendships, morale building and fun highlight camp at Twin Rivers Ranch.***

When you attend Young Rider Camp you are guaranteed to have a great time. There is lots of fun to be had as you learn from different coaches, make new friends and grow old friendships throughout the week. Being around your horse, friends and great mentors all week is a great opportunity to learn in a fun, supportive environment. In my opinion, you just can't go wrong with a week spent at Young Riders Camp.

My experience at Young Rider Camp, in late June at Twin Rivers Ranch, was excellent. I had the opportunity to learn so much in such a short time thanks to the awesome coaching and grooming clinics. We each had a private dressage lesson on day one. Then over the next two days we had group cross-country and show jumping lessons. We had use of the whole cross-country course and the coaches set some challenging show jumping exercises. Each day we also had grooming clinics covering topics such as using studs, the vet box and turnouts for jogs.

Thanks to the grooming clinics I can finally braid my horse independently!
