

Train, trail ride or vacation in a coastal equestrian paradise.

The beautiful Pacific Ocean and stunning mountain views set the scenery for equestrian enjoyment at Sea Horse Ranch. Owned and operated by Barbi and Geof Gurley, this gem of a barn offers the best for you and your horses. Whether you are new to riding, want to improve your horsemanship with your own horse, or are looking for guidance to reach your competitive goals, the full service training and boarding offered at Sea Horse Ranch harbors the perfect setting.

Barbi Breen-Gurley is an accomplished Grand Prix rider, a USDF Gold Medalist and USEF Senior Dressage Judge. Barbi uses her talent and “magical touch” to work with riders of all levels, to ride like they never dreamed possible. Riders learn traditions and classical methods including precise attention to basics (that is seat, balance, timing and rhythm). Barbi will ask her students to work hard, with her generous and energetic style. This is tailored to each rider and their horse, to reach their unique goals – for competition or pleasure.

Sea Horse Ranch offers the best in care for horses boarded at the barn. Stabling options include box stalls with runs and oversized paddocks with shelters. Only top quality hay is provided. The stable hands are experienced and committed to the well-being of the horses in their care. The location of the barn is ideal for boarding clients to enjoy unforgettable trail riding. Within a short ride from the ranch, there are many miles of trails at the Montaña de Oro State Park.

The ranch is also a destination for short term equestrian vacations – plan the perfect getaway, board your horses at the ranch, and stay in nearby hotels or campgrounds along the central California coastline. Enjoy scenic fishing villages and enchanting communities. Sailing, hiking, bicycling, golf and kayaking excursions are available. Within a short drive are points of interest
